Dear Parents,

Our Christian Value this half term is:

Forgiveness

We all make mistakes from time to time and we all need forgiveness from God and each other.

God's love is so great that forgiveness is always possible.

The life of our school community is built on the idea of forgiveness and acceptance of all.

We do not stop loving someone when they make mistakes.

We should forgive them and accept that they are sorry.

Harry Potter Science Day: We first went through the safety rules. We worked with a partner to do experiments with Fire! We made potions which changed colours. We tested

different types of metals. It was good fun as we got to do the experiments. The teacher put a bubble mixture on her hand and she made it explode. We all had an exciting and educational afternoon. (Evie and Sophie)

DT Fruit Tasting- 'We learnt how to peel, grate and chop up the fruit safely. We then tasted the amazing fruit. The fruit was very juicy. I like the orange the best because it was sweet and the melon was refreshing. We had a fun and exciting time.' (Maddie and Grace)

 ‘Stock piling-my dad is doing the right thing, he is making sure we are ok, giving us vitamins.’ (Harrison)
 ‘Keep washing your hands –be prepared!’ (Chloe)
 ‘Everyone is going over the top. Older people are more at risk.’ (Katie)

Thank you to all our KS2 children for their enthusiasm during our Readathon. It has been lovely to celebrate

reading in our school. Thank you for all your contributions for such an important cause. If you still have any collections please return to Miss Topping as soon as possible. Thank you for your continued support.

We would like to provide our children with magazines to read in school. This will develop their love of reading but also introduce new vocabulary. We would

appreciate any donations of old magazines. Many Thanks

DOJO Comments from our parents:

‘It’s great to hear reinforcement of online behaviour, thank you.’
 ‘My child came home buzzing about today’s Science trip. Thanks you so much.’

My child loved his science lesson this afternoon, he said he can’t wait for the next one!’

Coronavirus:

In school this week we have continued to make sure our children understand the importance of hand washing thoroughly. Children have access to anti-bacteria hand wash and

sanitizing gel around school. I receive daily updates from the DfE with guidelines for keeping our children safe. Next week we have cancelled our trip to PGHS but will continue with our Forest School Provision at the Woodland Oasis.
