Friday 22<sup>nd</sup> November 2019

Dear Parents,

Love/Compassion

Thank you God for your love for everyone.

We show kindness and love towards others in the same way that Jesus does.

How do we show kindness and respect to one another?

How do we help other people less fortunate than ourselves?

Love is about showing other people that we care and understand when they are unhappy.

Schools in India's capital city of Delhi have had to close, because air pollution levels there have been dangerously high. They were closed for 4 days in most places and face masks were also handed out in schools due to the high levels of smog in the city. Health officials were asking people to stay indoors and not do any physical activity outside to avoid getting ill. Levels of dangerous particles in the air are at well over 10 times safe limits in the capital.

**Main question: Whose responsibility is it for us to have clean air to breathe?**

**Quotes from our children:**

**Discovery-**'We need to look after our air.' (Camden)

**Atlantis-**'It is our responsibility to keep our air clean.' (Freya)

'We are the people who use cars, it is up to us to change it!' (Freddie)

'Instead of driving we could ride a bike and help keep our air clean.' (Bobby)

**Enterprise-** 'Football teams won't be able to play as it will be too polluted.' (Liam)
