### Quotes from our children:

**Discovery**-Maisie-'loved the article about the moon base. She thought it was funny how they mixed urine and moon dirt together to make a concrete. She said 'it's like mixing cake ingredients together.'

Esmae -'I wish we had a darlek on our street! The starry night spider is so small! I didn't know that. I like the wee and dirt idea it helps them to make moon concrete.'

**Atlantis**-Emily liked the article about the Darlek. She said 'I love how it keeps everyone safe and to self-isolate at home.'

**Enterprise**-'Daisy thinks people will travel more once it's safe as everyone will be ready for a

holiday.

Lucy thinks that some people might be put off travelling because they're still a bit worried.

Jack thinks people will travel more because people will finally be able to go and see their family and friends.

Harris- people won't go out straight away as they will be worried about germs.

**Endeavour**-'Adam loved the Dalek story and he could really imagine the Darleks saying self-isolate instead of exterminate.'

**Easter Bunny:** Thank you to the Easter Bunny who visited our children. Our children and parents really appreciated you sharing Happiness around our village. Thank you also to Walmer Bridge Spar who donated many of the eggs for free and Embleys for supplying the trolley.

**Phone Calls Home:** This week I rang Year 6 parents, it was lovely to hear your voices and catch up with all your news. If you miss my call, I also try again later. I will ring Year 5 parents next week, however if you wish to speak to me, please email me and I will call you also.

Please be assured of our ongoing support (if we can help in any way, please do get in touch) and most importantly our prayers for you during these difficult times. Stay safe.

### Christian Distinctiveness:

### **A prayer for all those affected by Coronavirus:**

Keep us, good Lord,  
under the shadow of your mercy.  
Sustain and support the anxious,  
be with those who care for the sick,
