Friday 7th February 2020

Dear Parents,

Our Christian Value this half term is:

Courage

As Christians, we have the courage to believe that God is always with us.

This belief gives us the strength to face danger, overcome fear and make a stand for what is right. In our prayers, we can ask God to give us the strength to be courageous in our lives and to make the right choice.

DOJO Update:

Following our Parent Questionnaire 25 out of the 26 parents value Dojo as an effective form of communication. We have therefore decide to continue with Dojo

messaging with a change to the settings to support staff well being. Parents can send private messages to the class teacher at any time, however teachers will now have 'quiet times' where they will not access their messages. Replies may be sent the next working school day. The teachers work hard to keep you informed on a daily basis and enjoy sharing your child's achievements. They appreciate all your positive and supportive comments they have received and look forward to continuing this strong link in the future.
