

A Prayer for Lent

Heavenly Father,
We are all your
children,

You love us all equally; all of our
differences are good in your sight.

In this time of Lent help us to
spring clean our lives and think
about the time Jesus spent in the
desert getting ready to do your
work.

Help us to be more like Jesus in
the things we say and do at school
and in our own lives with our
families.

Amen
