

Enterprise Newsletter Spring 2020

Happy new year to you all from Hoole St Michaels and welcome back to a new decade. May I first thank you all for my lovely Christmas presents; I was overwhelmed by your generosity.

This Half term we will be looking at Water, Water Everywhere! Along with our learning we will be continuing our growth mind-set, setting our YET goals and working towards making positive small steps.

Curriculum Information:

- Swimming:

This term Enterprise will be taking part in swimming lessons. A letter will be sent home with details of the lessons and what the children will need. Lesson will be every Tuesday.

- Reading:

Reading is so important to us at Hoole St Michaels and especially in Enterprise Class. The children have felt so inspired by last half terms reading and visit to 'The Lion, The Witch and The Wardrobe' that they have design a new reading corner based on the book.

Keep a look out for a new home reading system launching after February half term! Detail about the new system information will be on the school website, be released on dojo and sent home in a letter.

- Times Tables:

This half term Miss Topping is hosting a times table club. The club will run every Thursday lunchtime, and is there to support Year 4 pupils through practises for their Times table check in June.

In school, we have launched Emile. There is a practise of the check on this programme that replicates the layout and time limits of the check. Please feel free to use this at home with your children. They can log in using their Times Table Rock Star logins.

- A Donkey's Tale:

This term Enterprise class will be performing their Easter production 'A Donkey's Tale'. The performance will be on Thursday 2nd of April at 2.15pm. Mrs Barlow will be sending home letter to parent with information about how to purchase tickets.

We will be having another Parent's evening this half term and I am looking forward to sharing you children's progress with you. Keep an eye on our daily dojo update for exciting opportunities for you to come into school and join in with your children learning. Just like last term, there will be lots more 'Stay and Learn' mornings and 'Brew, Book and Biscuits'.

We are looking forward to this term and watching your children flourish further in their learning.

Miss Topping and Team Enterprise!
