

# Honeybees Newsletter autumn 2020

Hello and welcome to our lovely Honeybees families. We are so happy to welcome you to our pre-school and are incredibly excited to have lots of fun learning through play as we spend the year together.

It has been wonderful to meet you all at our new starter meetings and spend time with you this week. We have a little group of superstars!

Please keep an eye on Dojo as we will post daily on there so you can see what your child is up to during the day 😊

## Important information

- Please send your child in with a little bag of spare clothes, which will stay in their locker, in case we need to change them.
- We will be outside in ALL weathers accessing our beautiful surroundings so please send your child in with wellies, a coat, hat/scarf/gloves when the weather turns cold. We do have waterproofs however if you wish to send one in with your child please ensure it is named 😊
- Name everything please!
- Ensure your child has a named water bottle in school. We will send home each night to be washed.
- We open our doors at 8:45am and end of the day is 3:15pm.

## Staff

We have a super team who will be working with your child this coming year. Please use our names at home so the children become familiar with us all quickly 😊 A little reminder below, so you know who is in and when.

Wednesday - Friday - Mrs Lever

Wednesday - Friday - Miss Radcliffe

Wednesday - Friday morning - Mrs Kenyon

Wednesday - Friday afternoon - Mrs Patel

Please remember to message us with any questions or concerns you might have.

Mrs Lever, Miss Radcliffe and team Discovery!
