

Healthy Humans

English

Our half term of English will begin with a dive into shape poems and calligrams. We will be learning the difference between them before spending WW2 week creating our own Poppy shape poems.

We then move on to Fables. We will be reading a range of Aesop's fables. The children will focus on 'The Hare and the Tortoise' and innovate it to write a fable of their own.

We will finish the half term with persuasive writing. We will be learning the features needed in a persuasive letter before writing our own persuasive letter to non-other than The Grinch!

Christian Value - Trust and Peace

R.E

In R.E we will be looking at the symbolism of light at Christmas.

Maths

In Maths this half term it's all about addition and subtraction, Multiplication and division, and for Year 4 Length and perimeter.

History

In History this half term, our focus is on WW2. In Enterprise class we will be focusing on The Blitz and how this effected those helping the home front.

P.S.H.E

This half term we will be valuing difference. We will be looking at what makes us different and how this makes us special.

Science

This half term is all about our diet. We will be looking at the nutrition needed for our bodies to perform at their best. We will be reflecting on our Healthy School Lunch work with South Ribble last half term as well as comparing what we need in our diet to other mammals and animals.

As part of our recover curriculum we will be looking at animal food chains and classification.

Enrichment

WW2 week: 9th - 13th November

The Grinch: 14th - 18th December

French

This half term we will be learning adjectives to describe people. We will also be learning time in French.

Computing

This half term the children will be writing programmes.

P.E

Miss Topping will be teaching Handball.
Mr Pitcher will be teaching Hockey.
