Dear Parents,

Our Christian Value this half term is:

Respect:

Do to others as you would have them do to you' (Matthew 7:12)

The most important way that we help and support those who are important to us is to pray for them.

Each one of us is unique and everyone is special.

It is important to respect and value difference.

Jesus recognises those differences and respects us all as his friends.

We are asked by God to respect each other in the same way that Jesus did.
