

Parent Newsletter

Friday 12th March 2021

Dear Parents,

Our Christian Value this half term is:

Justice

Justice means taking responsibility for others especially the poor and those less fortunate than us.

We are asked by God to see that no one is left out.

When we read about Justice in the bible, we learn about loving our neighbours and making sure that everyone is included.

How can you help others?

But let justice roll on like a river, righteousness like a never-failing stream.

Amos 5:24

Back Together!

It was wonderful welcoming all our children back on Monday. There was a happy 'buzz' around school as all the children settled quickly back into our routines and learning. The teachers have been very proud of how hard the children have worked this week and have enjoyed seeing their smiley faces every day. There may be some tired children (and teachers) tonight! Well done everyone.

teachers.'

What Would Jesus Do Awards:

Honey Bees- Taylor for being so kind to the new HoneyBees. She has made them feel so welcome.

Discovery: River - for wowing us with how much he's grown in confidence. He has been so courageous answering lots of questions and talking to us about his ideas.

week he wasn't sure he persevered and kept working on it.

Enterprise: Olly Jay, being caring and helpful.

Endeavour: Portia for Perseverance – being a role model of giving a challenge your all and keeping going to see it through.

Atlantis- Myla

Stars of the week this week:

Honey Bees: Isaac for coming back to school with the happiest face and just got stuck in. Our little star!

Azra - for amazing listening, showing such confidence and putting in so much effort with everything this week.

Atlantis- Camden: Super work when writing some amazing questions to ask a character from our text. Camden showed great understanding of the features needed for a good question.

Rosie: for such excellent work identifying exclamation sentences. Rosie recognised the features of these and highlighted these in a piece of text.

Annabelle: for effort and enthusiasm during all of our lessons this week. She is always focussed, concentrating and contributing.

Teddy: worked incredibly hard during his first "proper" week in Atlantis. Teddy showed great confidence when reading aloud and contributing to whole class discussions.

Enterprise Class- Josh E: pushing himself in his maths and demonstrating understanding.

Lewis: Showing and consistently using beautiful presentation and handwriting.

Jack: Working hard on his spellings.

Eliza: Using her explain and because statement in Maths to show her understanding.

Thank You FOHSM : Money raised before Christmas has now been well spent on some sides for our outdoor classroom. This is a fantastic area for our children to play and learn and can now be used in all weathers! Thank you to Mr Rishton who fitted the sides for us. We really appreciate FOHSM's support and hard work.
