Friday 26th February 2021

Dear Parents,

Our Christian Value this half term is:

Justice

Justice means taking responsibility for others especially the poor and those less fortunate than us.

We are asked by God to see that no one is left out.

When we read about Justice in the bible, we learn about loving our neighbours and making sure that everyone is included.

How can you help others?

But let justice roll on like a river, righteousness like a never-failing stream.

Amos 5:24

Fairtrade Fortnight:

Honey Bees and Discovery: We have been reading Mama Panya's Pancakes, a story from Kenya. We found Kenya on a map and looked at how people from Africa are the same/different as us. Murphy was talking to his mum about how the characters in the story are different from us and also how they are the same. They are wearing flip-flops because it doesn't snow there, but it can be chilly sometimes! He also said their market looks like a festival and lots of fun!

Atlantis: This week for Fairtrade fortnight we looked at the journey of a banana from being picked all the way to the supermarket and looked at how much each person gets paid and how much we think they should be paid. We were very surprised to find out that the people who do all the hard work picking and looking after the banana don't get a fair share of the price paid for them.

Enterprise: We have kicked off our Fairtrade Fortnight with a look at our wants and needs in life. We

considered what was essential and what was bonus. We looked at cocoa farmers not being able to afford the basics and discussed which essential we would give up if we could afford it, it was a difficult choice to make. We also researched what we can buy that is Fairtrade to ensure more farmers receive a fair wage. We were shocked to discover that Maltesers were Fairtrade!

Endeavour: This week Endeavour have been learning that cocoa farmers on the Ivory Coast are only paid 74p a day. We explored our needs to survive and learnt that lots of those needs require money. No one can live off 74p a day. We now know to look for the Fair Trade symbol on cocoa products such as chocolate to make sure farmers are paid a fair wage.
