| How do you feel now about your child going in to school? | <p>I am happy with his learning and the way he is looked after in school. He is always happy to go. Sometimes apprehensive as she doesn't like going in.</p> <p>We are really pleased, he has learnt so much and the school have been great and really get to know the children and their personalities.</p> <p>I am very concerned that he has lost a year of learning.</p> <p>We have always considered that the school environment is more beneficial to our child's development.</p> <p>Really happy as his teachers are amazing, they make it like home for him.</p> <p>Really happy, he had missed it all so much and just wanted to get back learning with his teachers and friends.</p> <p>Happy seeing how much he has gained confidence and perseverance. Confident that he enjoys school and very pleased we chose Hoole St Michael's.</p> <p>Happy, he absolutely loves school, thanks to the amazing teachers.</p> | | | | |
