Dear Parents,

Our Christian Value this half term is:

Humility/Service

Jesus was both a servant and a king. He showed this throughout his life. Jesus taught his disciples how to be humble and we can do the same through our actions and words. We can serve one another just as Jesus did his friends. We can ask God to help us to look out for the needs of one another and put them before ourselves.

Bible Verse: Be completely humble and gentle; be patient, bearing with one another in love.
Ephesians 4:2
