

Endeavour Class 2021-2022

Tonight's presentation:

- Our curriculum coverage
- A day in Endeavour
- Reading
- Homework
- Key events including SATS

This year's topics:

We are led by quality texts

Our theme is survival in its various forms around the world.

Bold *Christian Values* **Resilience** **Strong Relationships** **Active Learners** **partnership**

Courageous **Confidence** **Thirst for knowledge** **Growth Mindset** **SUMO** *Forest School* **Enrichment**

English: Tenacity, Steadfast, Endurance

We begin the year with a hike in the Himalayas before landing in Afghanistan to discuss the **tenacity** of women under Taliban rule. We will be writing biographies of Malala Yousafzai. We will then travel to Japan, where we meet Michael, who is **steadfast** in his focus to find his parents. Moving on to America, we discover the **endurance** that Stanley ~~Valmont~~ need to survive at Camp Green. These texts will be used as a basis for creating discussion pieces and a series of short writing opportunities.

Tenacity, Endurance and Steadfast

Maths: Confidence, Resilience, Active Learners

We will be starting the year with the building blocks of maths - the value of number. We will be building our fluency skills as well as our knowledge, working with increasingly larger numbers and negative numbers too. Moving on, we will be **cementing** and **applying** our skills with number through addition, subtraction, multiplication and division. In our daily fluency sessions, we will be focusing on these three key words: **flexibility**, **accuracy** and **efficiency**, with a theme of number.

Geography: Active learning Thirst for Knowledge

Using our novels as a base, we will be learning the **physical** and **human** **features** of the countries we are visiting. In Afghanistan we will be **exploring** the positioning and terrain. On our travels to Japan, we will be **focusing** on Mount Fuji and the impact of the Olympic Games there. Our time in America will lead us to **compare** the physical and human features of both countries, creating a blog/debate in ICT using audacity.

Christian Value
Generosity

R.E

How and why do Christians Read the Bible?

Science: Active Learners Partnerships Knowledge

Science this half term is all about evolution and inheritance. We will begin by looking at the adaptations that species make to be able to live successfully in their habitat. Children will **work together** to relive Darwin's observations of the Galapagos finches as well as designing their own species that would fit into a specific habitat. We will **then** **research** different breeds of dog and have a try at designing our own working dog to fit a specific criteria.

Art: Forest School Growth Mindset Confidence

Linking closely to our work in science and using our fantastic **forest school** **space**, we will be **learning** how to create textured backgrounds through drawing and pain effects. We will also **study** **how** to draw realistic creatures, placing them on a background so they camouflage. Children will progress to using a computer generated background adding animals.

PSHE
SCARF Week - New Challenges
Friendship and Families

P.E: Thirst for knowledge, Bold, Partnerships

Netball - Partnerships/bold Dance Survival - Thirst for Knowledge

ICT: Resilience and Thirst for Knowledge

Linking with our work in geography, children will be expanding their **knowledge** through research and show **resilience** in precision searches.

British Value
Individual Liberty and Democracy

Music: Enrichment Music and Dance - survival through time.

French: Thirst for knowledge - Greetings, key verbs avoir/etre

What about reading?

- We teach English lessons daily that are sometimes linked to the theme/sometimes not.
- Quality texts are chosen to stretch the children and embed higher level vocabulary.
- We teach whole class guided reading 3 times a week. Texts stretch over two weeks to give deeper and broader understanding.
- Speed read twice a week.
- Read Theory. <https://readtheory.org/app/sign-up/summary>

What about Grammar and Spelling?

- Grammar is taught daily at the start of our English lesson.
- Further grammar is being taught at the moment to enable the children to catch up and brush up.
- CPG books always link to grammar in class.
- Spellings are taught 3 times a week.
- Tests are always on a Monday and new words on a Monday.
