Our Christian Value this half term is:

Generosity

God wants us to love others as we love ourselves.

Real generosity is doing something nice for someone who will never find out.

Jesus says "Love your neighbour as yourself".

Do you make sacrifices to give to others?

God is generous to us through his gift of creation - all the wonderful places where we can appreciate the wonder of God's world.

Bible Verse

God loves a cheerful giver. [2 Corinthians 9 v 7](#)

Honey Bees and Discovery: Our story focus is The Mixed Up Chameleon by Eric Carle, so we have been busy finding out about colour mixing. Atlantis: Kadey 'I have learnt all types of different /ai/ graphemes.'

Endeavour: A Zoom call from Nicky Gleeson, the Methodist Youth Worker about how and why Christians read the Bible. National Poetry Day: We have been looking at the narrative poem The Highwayman by Alfred Noyes. We linked this to the main character in our class novel Holes. We made our own versions of the Highwayman, following the rhyming structure.

'I have loved learning how to draw an orang-utan linked to Kensuke's Kingdom in art. I enjoyed finding textures outside to make the background. Alfie.
