## Enterprise Class Prayer 2021-2022

Dear Lord,

Thank you for our world and all the amazing places and animal within it. Help us to take care of our world and help it thrive.

Thank you for all those around us that help us, especially through difficult times. Please look after them so they are always there to look out for us.

Thank you for being a guiding light through difficult times. We pray that you continue to guide us through our new starts and new challenges this year.

Amen.
