Our Christian Value this half term is:

Love/Compassion

Thank you God for your love for everyone.

We show kindness and love towards others in the same way that Jesus does.

How do we show kindness and respect to one another?

How do we help other people less fortunate than ourselves?

Love is about showing other people that we care and understand when they are unhappy.

Ephesians 4:32

Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.
