

## Hoole St Michael CE Primary School Autumn 1 Overview Class: Atlantis

**Bold** *Christian Values* **Resilience** **Strong Relationships** **Active Learners** **partnership**

**Courageous** **Confidence** Thirst for knowledge **Growth Mindset** SUMO Forçst School **Enrichment**

### English: Active Learners/Confidence

In our English units this half term we will be focusing on our topic of Growth and Green Fingers. We will begin our half term by looking at poetry. The children will read and share many poems, focusing on repetition and rhyme. We will then write our own poem. This will be followed by instruction texts. We will look at the features of this text type and then write our own set of instructions for How to plant a sunflower seed.

We will follow this unit with a fiction unit using the high level text The Great Kapok Tree. The children will delve into the world of a rainforest and learn about the animals that live there. We will have a huge focus on vocabulary and then the children will innovate the story to write their own.

### Flourish Compare Service

### Forgiveness

RE for this half term-

Easter

PSHE for this half term

**Belonging to a community**

British Value

**Mutual Respect**

### Maths:

Each morning we will do our daily Fluency Frenzi session, securing our number facts and showing variation. This half term the children will begin work on numbers to 50, multiplication and division, shape and some measures. The children will show **Growth Mindset** when tackling problems and be **bold, courageous and confident learners**.

### Art/DT:

**Projects on a page or focus artists.**

This half term the children will practise the skill of observation. We will study a variety of flowers and use a range of media to draw these flowers, blending colours and adding detail.

In DT the children will look at food hygiene. The children will cut, peel, grate and slice food in order to make a healthy snack.

## Hoole St Michael CE Primary School Autumn 1 Overview Class: Atlantis

### **P.E: Confidence, courageous, partnerships**

In our PE topics this half term we will be doing gymnastics and target games. We will have the sports coaches in to help us with our learning.

In both of these PE units, the children will have to show great **confidence** and **courage** to try these different movements and skills. The children will continue to work on their **sportsmanship**, **listening** and **perseverance** within every PE lesson.

### **Science: Active learners/partnerships**

In our science this half term we be looking at plants. We will plant many different seeds and bulbs and observe their growth. We will plan a fair test and explore the different things that plants need in order to grow. The children will identify and name a variety of common plants and trees and be able to describe their basic structure.

### **Music: creativity and freedom**

This half term the children will enjoy listening to, and composing music. The children will use a range of instruments and observe the way that each instrument sounds. The children will work **collaboratively** in groups to perform their music.

### **IT: Meaningful progression of skills**

In our IT lessons this term, we will continue looking at E safety (how to use technology sensibly and safely.) This will not just be using a computer but any electronic device. We will also be looking at digital content- text and images. The children will be finding pictures of various animals and using text to give some information.
