English: Active Learners Classic Generation

'Argh me hearties! I spy land ahoy!' This half term we are learning to write our own pirate adventure taking inspiration from the classic novel *Treasure Island* by Robert Louis Stephenson. We will also learn how to write a formal persuasive letter linked to the text. Finally, we will look at classic song lyrics that have influenced generations. Our band of focus will of course be The Beatles and the theme friendship.

Spearhead Generation Classic

History: The Rise of Popular Culture

Off we go on our time travels for the first time this year! We are going to travel back to 1948 and look at what our country was like after World War Two. We will then study the rise of popular culture through music, art, fashion, the world of work and the home.

Black History Month: The rise of the black community in politics from Martin Luther King, Nelson Mandela, Barack Obama and Shirley Chisholm

Art: Active Learners Enrichment

Linked to our work in history and English, our studies in art will chart the rise of Pop Art. We will be focusing on two artists: Andy Warhol and Roy Lichtenstein. Through our exploration of their work using a mixture of media, we will be building up to creating prints of our own design. We will also explore the work of British Pop Artist, creating our own screen print.

IT: Meaningful progression of skills

Multimedia is our focus! Using our work on the Beatles, we will be designing and making our own presentations.

Hello Yellow Day Monday 10th October

British Value

Tolerance and Respect

Maths: Confidence, Bold, Active Leaners

We will begin our year with a focus on place value and counting. Using *Maths No Problem* as our lead, Year 5 will be counting, ordering and comparing numbers to one million. Year 6 will doing exactly the same within ten million. We will also be rounding numbers to the nearest ten, hundred and thousand. Using rounding as a key to checking our calculations, we will then move on to addition and subtraction.

Science: Active Learners Partnerships Knowledge

This half term is all about light. Our key vocabulary will be light rays and straight lines. We will be exploring how we see in the first place, before moving on to how key inventions work, such as the rear view mirror and periscopes. We will work to prove that light travels in straight lines, sending light beams through different sized holes. Finally, we will take on a shadow formation investigation.

P.E: Active learners Partnerships Confidence

Netball - Active Leaners Dance through the ages - Partnerships

Music:

Classic Bands and ballads - Popular Culture and Oasis

French: Sault Gustav - revising key terms
