

## Enterprise Newsletter autumn 1 2022

Welcome back to a new academic year in Enterprise and a huge hello to our new families. We are so excited to be on this learning journey with your children and cannot wait to get stuck in to our new topic, 'Healthy Humans'. We have lots of exciting things planned for the year ahead and are looking forward to sharing them with your children.

This half term we have begun with two PSHE days based on the book 'Flooded' which is all about team work and listening to others. It has been a wonderful way to start the year off together.

This year, we are focusing on our class being a team and taking care of one another. As part of our Healthy Humans topic, we will be learning about animals including humans and what we need for a healthy and balanced diet (including exercise). We will have fun designing and making a healthy meal as part of our DT work and be sketching and modelling fruit as artists! In English we will be studying fables, poems with a structure and persuasive letters. In Maths we are looking at numbers to 1000 and 10 000 and addition and subtraction. As well as music, computing, PSHE and PE!

Have a look at our topic web on the school website under  Classes  Enterprise-what's new? We will also pop it on Dojo for you to see.

### Curriculum Information:

- Maths, English, fluency, guided reading/spelling are taught daily alongside other areas of the curriculum.

### Reading:

Our focus on reading is to build **fluency**, **confidence** and **pleasure**. We will do this through our John Murray reading sessions and class novel time, which we have asked the children to vote for 😊. We ask that your child continues to read every night that you record this in the reading record book. Books will be changed Mondays and Thursdays. If you need more books at another point just ask 😊 **It is vital for your child's progress that your child reads every day at home.**

Thank you to everyone supporting homework, it makes a huge difference.

### Times Tables, Maths Homework and Spelling:

- Please continue to play TTRS 😊 Please ask if you need login support. We will sort out the new children with logins next week.
- Maths and SPAG homework will go home/set on a Monday.
- Spellings will be sent out every Friday. These will be based on the spelling rules taught that week. **Tests will be the following Friday giving all children the full week and weekend to learn their spellings.**

### PE:

**Please ensure your child has their labelled PE kit in school (including pumps/trainers that fit).**

- **Wednesday: Health Related Fitness** with Mrs Horn.
- **Friday: Dance** with Mrs Lever.
- **Daily: Daily skip!!** More information this to follow 😊

As always, our door is always open and you are welcome to come and speak with us. Our Class Dojo is checked daily and any messages answered as quickly as we possibly can.

Thank you for all your support,

Mrs Horn, Mrs Lever and Team Enterprise!
