

Welcome to Endeavour 2022 -2023

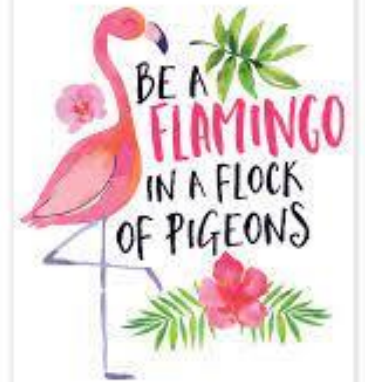

Be on your guard
stand **firm in the faith**
be courageous
be strong.

1 Corinthians 16:13

BEST
FOR
CHRIST

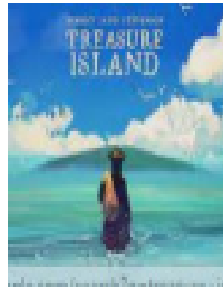

After tonight you will:

- Know what we are learning this half term and for the rest of the year.
- Be familiar with a day in the life of Endeavour.
- Homework routines.
- Reading for enjoyment.
- Know how to apply for high school.

English: Active Learners Classic Generation

'Argh me hearties! I spy land ahoy!' This half term we are learning to write our own pirate adventure taking inspiration from the classic novel *Treasure Island* by Robert Louis Stephenson. We will also learn how to write a formal persuasive letter linked to the text. Finally, we will look at classic song lyrics that have influenced generations. Our band of focus will of course be The Beatles and the theme friendship.

Spearhead Generation Classic

History: The Rise of Popular Culture

Off we go on our time travels for the first time this year! We are going to travel back to 1948 and look at what our country was like after World War Two. We will then study the rise of popular culture through music, art, fashion, the world of work and the home.

Black History Month: The rise of the black community in politics from Martin Luther King, Nelson Mandela, Barack Obama and Shirley Chisholm

Art: Active Learners Enrichment

Linked to our work in history and English, our studies in art will chart the rise of Pop Art. We will be focusing on two artists: Andy Warhol and Roy Lichtenstein. Through our exploration of their work using a mixture of media, we will be building up to creating prints of our own design. We will also explore the work of British Pop Artist, creating our own screen print.

IT: Meaningful progression of skills

Multimedia is our focus! Using our work on the Beatles, we will be designing and making our own presentations.

Christian Value

Thankfulness

R.E

Proverbs

Life as a Journey

P.S.H.E.

Flooded - worries and the future

Friendship and Families

Hello Yellow Day Monday 10th October

British Value

Tolerance and Respect

Maths: Confidence, Bold, Active Learners

We will begin our year with a focus on place value and counting. Using *Maths No Problem* as our lead, Year 5 will be counting, ordering and comparing numbers to one million. Year 6 will be doing exactly the same within ten million. We will also be rounding numbers to the nearest ten, hundred and thousand. Using rounding as a key to checking our calculations, we will then move on to addition and subtraction.

Science: Active Learners Partnerships Knowledge

This half term is all about light. Our key vocabulary will be light rays and straight lines. We will be exploring how we see in the first place, before moving on to how key inventions work, such as the rear view mirror and periscopes. We will work to prove that light travels in straight lines, sending light beams through different sized holes. Finally, we will take on a shadow formation investigation.

P.E: Active learners Partnerships Confidence

Netball - Active Learners Dance through the ages - Partnerships

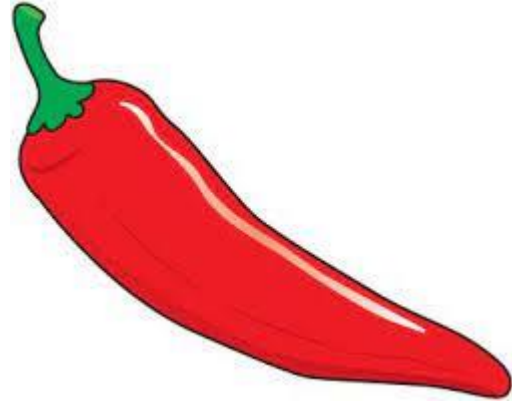

Music:

Classic Bands and ballads - Popular Culture and Oasis

French: Sault Gustav - revising key terms

Driving new vocabulary:

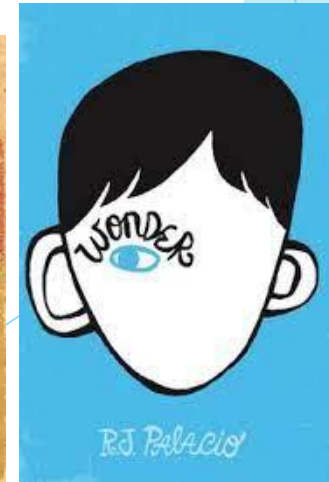

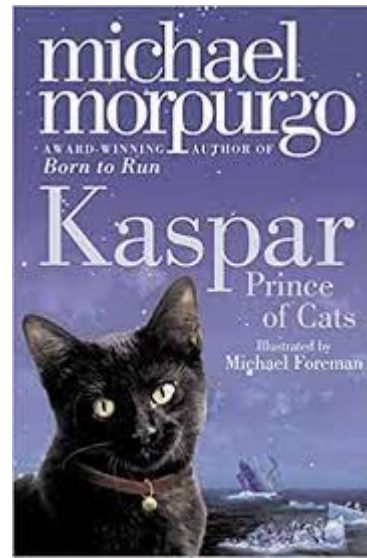

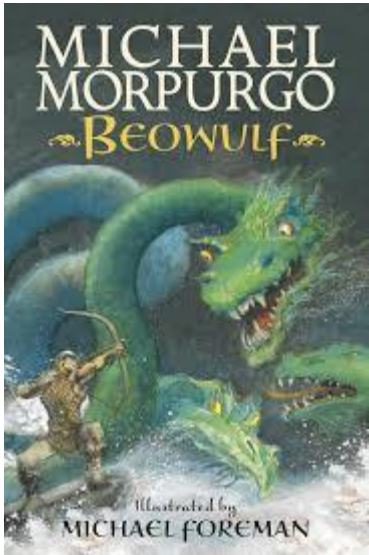

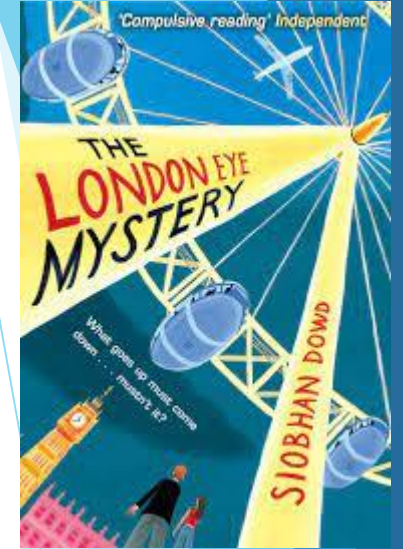

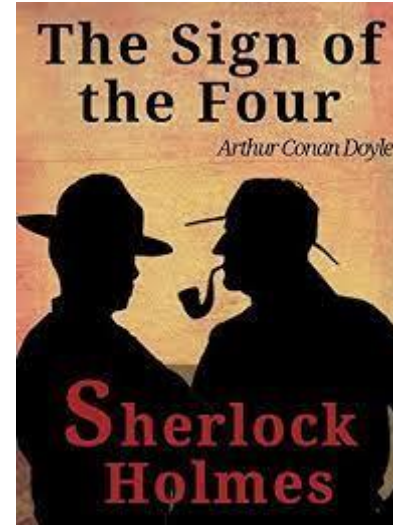

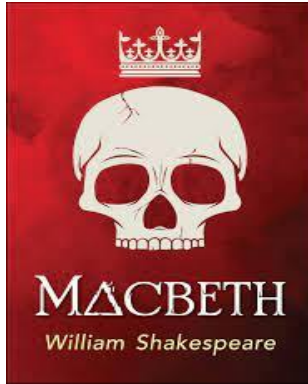

Spearhead
Classic
Generation

Jalfrezi Jargon - hot
and spicy!

What is to come?

Every half term is built around high-quality texts

Our Day in Endeavour:

8.45 - Securing Skills and arithmetic practice.

9am - Fluency - maths fluent fact recall

9.15am - Guided Reading - whole class shared reading

9.30am - English

10.30am - Break

10.45 - Maths

12 - Lunch

1pm - Spelling session

1.15pm - afternoon topics

Task	Monday	Tuesday	Wednesday	Thursday	Friday
Write the value of the underlined digit.	4 <u>7</u> 2	<u>9</u> 51	4,86 <u>4</u>	<u>7</u> ,098	5,3 <u>6</u> 0
Complete the calculations.	$573 + 20 =$	$2,870 + 3,000 =$	$6,019 + 6 =$	$855 + 400 =$	$4,739 + 70 =$
Complete the calculations.	$46 \times 10 =$	$75 \times 100 =$	$270 \div 10 =$	$6,100 \div 100 =$	$3,800 \div 100 =$
Complete the calculations.	$5 \times 6 \times 2 =$	$4 \times 3 \times 3 =$	$3 \times 8 \times 2 =$	$8 \times 4 \times 5 =$	$7 \times 2 \times 6 =$

The Fab Four:

4 calculations with a daily theme that the children do first. This promotes recall and memory.

Power of the Positive

Our main role is to fill our children with confidence.

They need to leave us believing that they can do anything!

Daily Growth Mindset:

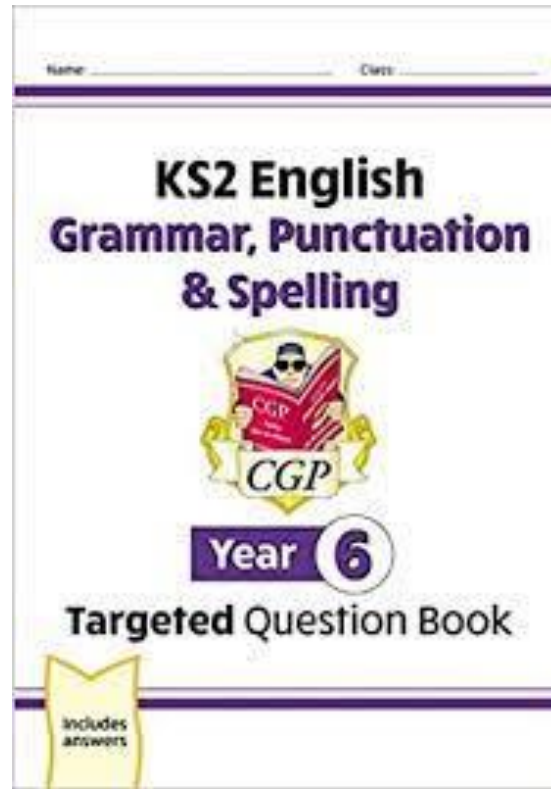

**EVERY
MISTAKE
YOU MAKE
IS PROGRESS**

Reading

- This is vital in Endeavour
- Reading examination is 3 texts in one hour.
- In school – Guided Reading 4 days a week in class. Comprehension focus.
- Out of school – reading every night and reading for meaning.

Homework

- **Spellings:** Given every Monday for the test the following Monday. Spelling journals.
- **Tables:** Times Table Rock Stars.
- **Grammar and Maths:** Both are linked to class and work Monday to Monday
- There is a drawer in class for any spare letters, spellings and homework.
- I always give homework! ALWAYS!

Grammar and
maths
homework
always links to
work in class.

We mark together - immediate feedback.

Mrs. Cookson

Endeavour Class 2022 - 2023

7 hours ago

Homework:

Year 5:

CPG page 32 - perfect tense

Spellings - key suffix of able. We approach this by looking at the root of the word like adore and seeing what happens when we add the suffix on.

T T Rock Stars - Garage has been changed tonight.

Maths - rounding

Year 6:

CPG page 21 - perfect tense

Spellings - adding key suffixes

Maths - rounding

T T Rock Stars - Garage session.

Everyone has come home with words to learn for harvest.

Harvest is Wednesday - dried foods, tins and packets would be great to take over to church either in a box or a bag.

Happy Monday everyone - I hope you all had a good weekend and made the most of the weather on Saturday.

Today we have been busy!

In our fluency session, we explored our new equipment and made some connections with them to calculations. After our homework and spelling session, we continued our paired write in English. We also learnt about the perfect tense and the two key words have and had for this ready for homework.

In our maths session, we flicked between different powers of 10 and learnt to round to any number.

This was tricky, especially when we had to round up and this meant our answer was a new number.

This afternoon, we had a spelling session based on our words for the new week. We then enjoyed a taekwondo session, as you can see from the picture below.

After that, we prepared our part of the church service for the Bishop's Harvest Appeal. We have all come home with words to read tonight ready for Wednesday.

We finished the day with a worship with Mrs Price about thankfulness. See you all tomorrow! 😊

3 times a
week is
great!

Early checker.

Times tables are set and
changed each week.

Normally one times table
a week.

Spellings in the SATS Test:

There will be 20 - these are related to the **spellings we send home**.

Year 6 - currently studying Fast Forward spelling based around common rules that appear.

Year 5- learning key rules

Prefixes, Suffixes and Roots

dis

believe

Er
Ing
Ed

We learn that the root stays the same, with some minor tweaks sometimes to add the extra sounds.

P.E.

Days are Wednesday and Friday.

Please have kits in school daily.

Skipping is our new thing!

High School Open Evenings:

Tomorrow: Bishop Rawstorne and Tarleton Academy.

Hutton Grammar - Tuesday

All Hallows: 6th October

Penwortham Girls': 4th October - tickets

High School Open Evenings:

When to apply:

Applications have to be in by 31st
October on the following link:

<https://www.lancashire.gov.uk/children-education-families/schools/apply-for-a-school-place/>

Remember, for a church school you will need a faith reference on a separate form. This can be obtained from the school.

SATS Tests:

Monday 8th May - Thursday 11th May

Grammar - Monday
Reading - Tuesday
Maths - Wednesday
Maths - Thursday

A further
information
evening will be
held nearer the
time.
