

Enterprise Newsletter autumn 2 2022

We cannot believe we are in the second half term already! Always a busy one leading up to Christmas! We have WW2 week and writing week alongside many other exciting enrichment opportunities for our children ☺ Our new topic is 'Sparks Might Fly'.

This half term we have begun by reminding the children that we are a team, we take care of one another and we are kind. Always. Something we regularly talk about and come back to. We have also spoken a lot about having our positive pants on! If these messages could be talked about at home too, that would be great!

*Watch out world,
for today I have
my positive
pants on!*

As part of our Sparks Might Fly topic, we will be learning about electricity and how it would affect our lives living without it! Then we will become scientists and learn about the symbols used when making a circuit! We will have a thoughtful and reflective week learning about WW2 and the Blitz. We will be taking part in lots of interesting activities with our class and with the school. In English, we will be learning how to write explanation texts, a fantasy story, a play script and a writing week before Christmas based on the text 'The Night Before Christmas'. In Maths, we are continuing with addition and subtraction, then moving on to multiplication and division! We are also going to fit in RE, PSHE, computing and Christmas!!!

Have a look at our topic web for more detail on the school website : Classes  Enterprise-what's new? We will also pop it on Dojo for you to see.

Reading:

Our focus on reading is to build **fluency**, **confidence** and **pleasure**. We will do this through our John Murray reading sessions and class novel time, which we have asked the children to vote for ☺. We ask that your child continues to read every night that you record this in the reading record book. Books will be changed Mondays and Thursdays. If you need more books at another point just ask ☺ **It is vital for your child's progress that your child reads every day at home.**

Thank you to everyone supporting homework, it makes a huge difference.

Times Tables, Maths Homework and Spelling:

- Please continue to play TTRS ☺ Please ask if you need login support. We will sort out the new children with logins next week.
- Maths and SPAG homework will go home/set on a Monday.
- Spellings will be sent out every Friday. These will be based on the spelling rules taught that week. **Tests will be the following Friday giving all children the full week and weekend to learn their spellings.**

PE:

Please ensure your child has their labelled PE kit in school (including pumps/trainers that fit).

- **Wednesday: Hockey** with Mrs Horn.
- **Friday: Gymnastics** with Mrs Lever.
- **Daily: Daily skip!!**

As always, our door is always open and you are welcome to come and speak with us. Our Class Dojo is checked daily and any messages answered as quickly as we possibly can.

Thank you for all your support,

Mrs Horn, Mrs Lever and Team Enterprise!
