Friday 19th May 2023

Dear Parents,

Our Christian Value this half term is: Service

Jesus calls us in life to serve others as he served.

Small acts of service can make a huge difference to the lives of others.

Is there something important that you have never got around to doing?

In the Bible, we are told that 'it is more blessed to give than to receive.'

Jesus modelled throughout his life how to serve and wants us to make a difference.

Change starts with us.

Bible Verse

'Serve one another in love.'

Galations 5:13

Celebrating our children:

What Would Jesus Do Awards:

Honey Bees and Discovery - Toby for helping others in such a caring way.

Atlantis - Dexter for consistently showing service, seeing the little things that need doing and doing them.

Enterprise- Leah for showing our Christian Value of Peace. Leah has a wonderful ability to settle any unrest that may occur within friendship groups, and keep the peace. She remains calm and fair, showing kindness to those around her.

Endeavour- Eliza and Alyssia for serving others by organising a charity event for the RSPCA

Stars of the Week:

Discovery Class: Rafferty, Tommy and Jessie

Atlantis Class: Year 2 for an amazing week of superhero training.

Our GRIT Champion:

Get Ready I am Trying!

Honey Bees and Discovery Class - Isla for sticking at new learning and showing lots of perseverance in maths

Atlantis Class - Max for never giving up on his reading.

Enterprise Class - Edward for trying so hard with his TT Rock Stars and making massive leaps in progress. It is all down to his determination to improve!

Endeavour Class - Cerys sticking at it with those angles and persevering using a protractor. Well done for using adults to support you too.

Honey Bees and Discovery – writing what am I riddles using our great outdoor area.

Atlantis- We have been outside creating a collection of adverbs to use in our writing.

Enterprise: We have explored sound waves and how sound travels.

Endeavour: We have used the outdoors to warm up our knowledge of angles this week, visiting as many question stations as we could.

Honey Bees and Discovery Class - finding out which liquids change gingerbread men the most. And sorting out which materials to make a waterproof camping jacket out of.

Atlantis - This week Atlantis have been Secret Agent training. They have worked incredibly hard and Miss Topping is very proud!

Enterprise - This week, we have been to UCLAN Science Festival, and what a day we had! The children were totally inspired and we now have children who want to become surgeons, vets and scientists!

Endeavour – Titanic Day was amazing! On Tuesday we all dressed up and enjoyed a day onboard. Thankfully, with Mrs Beswick at the helm and Mrs Bradshaw looking very glamorous, we didn't sink and even enjoyed a White Star Line tea party!

Meaningful May:

Honey Bees and Discovery – We have been busy finding ways to make what we do meaningful.

Atlantis - Atlantis have spent some time making a list of what matters to us most.

Enterprise- We have focused on how our actions make a difference to others.

Endeavour- We have been sharing our favourite music and discussing how much it means to us.
