

## Hoole St Michael CE Primary School Summer 2 Overview Class: Atlantis

**Bold** *Christian Values* **Resilience** **Strong Relationships** **Active Learners** **partnership**

**Courageous** **Confidence** Thirst for knowledge **Growth Mindset** SUMO Foræst School **Enrichment**

### Geography/History:

In Geography, we are looking at our local landscape and what is here. We will be locating our local area on a map, identifying the human and physical features of our area, comparing our area to another in the world and understanding why our local area is describes as rural.

### Science:

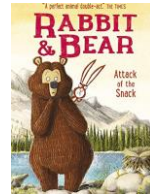

This half term we will be **investigating** what a plant needs to survive and what happens if we deprive it of one of these things. We will also be exploring the word Germination. We will know what it means and watch it when we grow beans.

### IT: Meaningful progression of skills

Programming

Art/DT: Resilience We will be creating crudité plates. We will be chopping, slicing, grating, peeling and juicing to create the perfect platter.

### Produce Vegetation Compassion

Christian Value for this half term  
**Truthfulness**

RE for this half term  
**Why are Churches so special?**

PSHE for this half term  
Physical and Mental Wellbeing  
**Money**

British Value  
**Community**

Maths: We will be building our **confidence** and understanding of time. We will be revising in Maths this half term to solidify our knowledge of minutes, hours, start times and end times. We will also be exploring Volume and capacity.

### English: Confidence Partnership Growth mindset

In English, as well as writing a recount about our trip we will be looking at our key text, Rabbit and Bear: Attack of the snack! While we explore this text we will be writing diary entries, letters, predictions and descriptions. This book has our key theme of compassion running throughout.

### P.E: Active learners

Gymnastics, Striking games, Fit Fortnight

Music: Charanga – Revisit, Rewind, Replay
