

Hoole St Michael CE Primary School Sports Premium Strategy 2022-23

The Sports Premium Funding is additional funding given to schools to ensure that all pupils receive high quality PE and out of hours school sport. At Hoole St Michael, we believe the strategies should impact on the children so that they develop skills and confidence as well as having a range of opportunities to enjoy sport and most importantly to be active and healthy both now and in the future.

They will continue to follow guidance and advice from relevant bodies as it emerges, in consultation with other stakeholders.

| 1. Summary Information | | | | | |
|------------------------|-------------------------------------------------------------------|-----------------|------------------------------------------------------------------------------------------------------------------------|------------------------------------------------|-----------|
