

Enterprise Newsletter autumn 1 2023

Hello and welcome back to a new academic year in Enterprise! We are so excited to get started on a year of fabulous learning with your superstars! Our first topic, 'Terrible Tudors' will be a great one; we have lots of fun things planned and are looking forward to sharing them with your children.

This half term, our mornings are starting as we mean to go on with fluency, maths, grammar, English. Guided reading/spelling will be part of our afternoon session. We have so much to fit in! For our first week, each afternoon we will spend some time focusing on PSHE and developing the children's inner strength.

As we often do, we are linking our learning to a story - ours is 'The Bad Seed' - where a seed makes bad choices. We are going to recognise his weaknesses, try to spot his strengths, look at consequences and how he comes well (then apply this mind-set to us and our lives!).

As part of our Terrible Tudors topic, we will be learning about King Henry VIII, where the children will delve into what life was like during his reign in Britain. We will look at the War of the Roses, as

part of our local study, and how Henry became king. In English, we will be studying folk tales, poems and biographies. In Maths, we are looking at numbers to 1000 and 10 000 and addition and subtraction. Alongside all this we will be enriching the children with RE, French, music, computing, PSHE and PE and science!

Have a look at our topic web for more detail on the school website: Classes  Enterprise 
what's new? We will also pop it on Dojo for you to see.

Curriculum Information:

Reading:

Our focus on reading is to build **fluency**, **confidence** and **pleasure**. We will do this through our John Murray reading sessions and class novel time. We ask that your child continues to read every night that you record this in the reading record book. Books will be changed Mondays and Thursdays. If you need more books at another point just ask ☺ **It is vital for your child's progress that your child reads every day at home.**

Thank you to everyone supporting homework, it makes a huge difference.

Times Tables, Maths Homework and Spelling:

- Please continue to play TTRS ☺ and ask if you need login support.
- SPAG homework will go home/set on a Monday.
- Spellings will be sent out every Friday in a spelling book. These will be based on the spelling rules taught that week. Please practise your child's words with them and send the book back as tests will be recorded in this book for you to see ☺ **Tests will be the following Friday giving all children the full week and weekend to learn their spellings.**

PE:
Please ensure your child has their labelled PE kit in school (including pumps/trainers that fit).

- **Monday: Gymnastics** with Mrs Horn.
- **Friday: Handball** with Mrs Lever.
- **Daily:** Daily skip!!
- **Brain breaks**

As always, our door is always open and you are welcome to come and speak with us. Our Class Dojo is checked daily and any messages answered as quickly as we possibly can.

Thank you for all your lovely comments on Dojo and continued support,

Mrs Horn, Mrs Lever and Team Enterprise!
