Dear Parents,

Our Christian Value this half term is:

Generosity

God wants us to love others as we love ourselves. Real generosity is doing something nice for someone who will never find out. Jesus says "Love your neighbour as yourself". Do you make sacrifices to give to others? God is generous to us through his gift of creation - all the wonderful places where we can appreciate the wonder of God's world.

Bible Verse: God loves a cheerful giver. 2 Corinthians 9 v 7

Celebrating our children:

What Would Jesus Do Awards:

Atlantis: Ariya for showing the value of Service and never giving up on any challenge she is given.

Enterprise: Ayla and Kyla for showing the Christian Values of confidence and bravery in a new class. Not only that, they have shone as part of team Enterprise! Well done girls.

Endeavour: Josh M for showing generosity and service, taking on the responsibility of lunch duty brilliantly, helping out our kitchen staff and teachers.

Stars of the week this week:

Discovery: Oliver.

Atlantis: Tommy, Billie, Isaac, Jake

Atlantis: Toby for always giving his best effort to his writing.

Enterprise: Jamie for his determination with his addition work.

Endeavour: Issy has dug deep this week, working hard in all areas and asking when needed.

Discovery: We had a lovely time on Hello Yellow day chalking things that we love like rainbows and snails.

Atlantis: We have been outside releasing Butterflies.

Enterprise: Cleaning up outside as part of Eco Council.

Endeavour: In science, we went outside to experience the evolution of the peppered moth. We designed our own moths, and explored whether they would survive based on their ability to camouflage.

Whole School: This week our amazing School Council have launched World Mental Health Day, encouraging our children to stand up and share any worries they

might have. We made crafts to remind us to talk to adults or friends when we need to.

Discovery: Making flapjacks for our stay and play after reading Little Red Riding Hood.

Atlantis: This week, we enjoyed our trip to Church to learn all about a wedding service. We then came back to school and learnt all about when Jesus went to a wedding.

Enterprise: Hello Yellow Day!

Enterprise: We have been finding a new perspective to solve a problem we face.

Endeavour: This week, we have been reviewing our performance using our metacognition materials and learning to ask for help when we need to move forward.

THANK YOU TO ALL OUR FOHSM. The Disco was very well attended and the children were very excited today!

Coming next week:

Endeavour: This week, we have represented school in two football tournaments and the Spelling Bee competition

at Tarleton Academy.

Footballs Coming Home!!

What a week-WE ARE THE CHAMPIONS! We are very proud of our football teams. They won their match in the West Lancs league and came first in the TASA League on Tuesday night!. They were true ambassadors for our school showing excellent teamwork, respect and true perseverance.

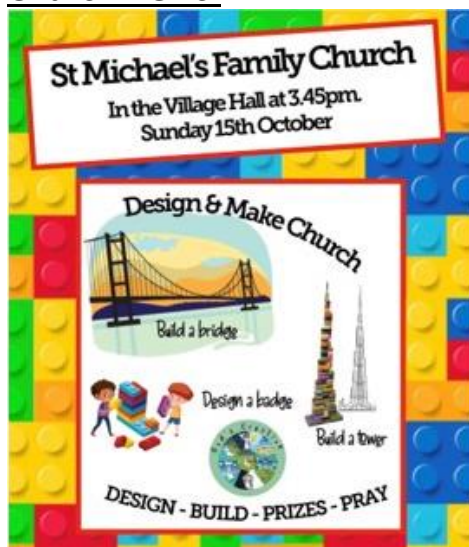

Endeavour Class: We also used biscuits in science to explore genetics. We had two parent biscuits and had to use the genetic traits and characteristics to design a baby biscuit. We also enjoyed a sneaky biccie too!

Optimistic October:

Discovery: Plan an exciting thing to do. We are welcoming in our parents and thinking about what we want to do with them.
