

## Enterprise Newsletter autumn 2 2022

How are we heading into the second half term of the year already!? As always, this half term, leading up to Christmas, is going to be a busy one, but we have some very exciting things planned! We are beginning with our WW1 week and have many other enrichment opportunities for our children planned in ☺ Our new topic is 'The Plague' and the children are already loving the gruesome aspects of this unit!

As part of our Plague topic, we will be learning all about this terrible disease and what happened back in the 1600s! In English, we will be learning parts of the Pied Piper poem by Robert Browning by heart and writing our own poem about the man himself! As well as newspaper report about The Black Death. In Maths, we are continuing to build on our place value knowledge to help us with addition and subtraction, then moving on to multiplication and division! We are also going to fit in WW1 week, Science, French, RE, PSHE, computing and Christmas!!!

Have a look at our topic web for more detail on the school website : Classes → Enterprise- → what's new? We will also pop it on Dojo for you to see.

### Reading:

Our focus on reading is to build **fluency**, **confidence** and **pleasure**. We will do this through our John Murray reading sessions and class novel time, which we have asked the children to vote for ☺. We ask that your child continues to read every night that you record this in the reading record book. Books will be changed Mondays and Thursdays. If you need more books at another point just ask ☺ **It is vital for your child's progress that your child reads every day at home.**

Thank you to everyone supporting homework, it makes a huge difference.

### Times Tables, Maths Homework and Spelling:

- Please continue to play TTRS ☺ Please ask if you need login support. New children to class should all have their logins.
- Maths and SPAG homework will go home/set on a Monday.
- Spellings will be sent out every Friday. These will be based on the spelling rules taught that week. **Tests will be the following Friday giving all children the full week and weekend to learn their spellings. Please remember to send in the purple spellings books.**

### PE:

**Please ensure your child has their labelled PE kit in school (including pumps/trainers that fit).**

- **Wednesday:** Hockey with Mrs Lever.
- **Friday:** Gymnastics with Mrs Lever.
- **Daily:** Daily skip, brain breaks and mindfulness.

As always, our door is always open and you are welcome to come and speak with us. Our Class Dojo is checked daily and any messages answered as quickly as we possibly can.

Thank you for all your support,  
Mrs Horn, Mrs Lever and Team Enterprise!
