English: Active Learners Classic Generation

'Argh me hearties! I spy land ahoy!' This half term we are learning to write our own pirate adventure taking inspiration from the classic novel *Treasure Island* by Robert Louis Stephenson. Black History Month sees us focus on trailblazers and the theme of 2024, which is rewriting narratives. The story of Rosa Parks will help us explore this and the lyrics of famous activist songs to write our own poems.

Spearhead Generation Classic

Maths: Confidence, Bold, Active Learners

We will begin our year with a focus on place value and counting. Using *Maths No Problem* as our lead, Year 5 will be counting, ordering and comparing numbers to one million. Year 6 will be doing exactly the same within ten million. We will also be rounding numbers to the nearest ten, hundred and thousand. Using rounding as a key to checking our calculations, we will then move on to addition and subtraction.

History: The Rise of Popular Culture

Off we go on our time travels for the first time this year! We are going to travel back to 1948 and look at what our country was like after World War Two. We will then study the rise of popular culture through music, art, fashion, the world of work and the home.

Black History Month: Trailblazers from Martin Luther King, Nelson Mandela, Barack Obama and Shirley Chisholm

Christian Value

Thankfulness

Scarf Week - Inspirations
Boy at the Back of the Class
Friendship and Families

Science: Active Learners Partnerships Knowledge

This half term is all about light. Our key vocabulary will be light rays and straight lines. We will be exploring how we see in the first place, before moving on to how key inventions work, such as the rear view mirror and periscopes. We will work to prove that light travels in straight lines, sending light beams through different sized holes. Finally, we will take on a shadow formation investigation.

Art: Active Learners Enrichment

Activism: We start the year discovering how artists can use their work to express their opinions within our world. We will start with the recent work on Banksy, in London and then move on to other focus artists. Using printing, collage and drawing, we will experiment with our own pieces and see how our work can be a powerful way to communicate across languages.

P.E: Active learners Partnerships Confidence

Netball - Active Learners Gymnastics - flight - Partnerships

IT: Meaningful progression of skills

A study of how data is transferred over the internet and how we can use the internet to share data and collaborate.

Music:

Classic Bands and ballads - Popular Culture and Oasis

French: Sault Gustav - revising key terms

British Value

Tolerance and Respect
