

Parent Newsletter

Friday 14th March 2025

Dear Parents,

Our Christian Value this half term is:

Justice

Justice means taking responsibility for others especially the poor and those less fortunate than us. We are asked by God to see that no one is left out. When we read about Justice in the bible, we learn about loving our neighbours and making sure that everyone is included. How can you help others?

Bible Verse:

But let justice roll on like a river, righteousness like a never-failing stream. Amos 5:24

Celebrating our children:

What Would Jesus Do Awards:

Honey Bees and Discovery- Marcelo for showing his Christian value of love and being so kind to his peers and teachers in class.

Atlantis- Ava W for showing the value of perseverance, making sure that she is trying her best with every learning challenge.

Enterprise- Felix for showing the Christian Value of service by looking after our classroom and it's resources.

Endeavour- Maisie showing our Christian value of courage and perseverance, throwing herself into life at Min Y Don and loving every single activity.

Bishop Philip's Visit: We had a lovely worship this afternoon with Bishop Philip. He shared the story of Daniel and the importance of prayer. Bishop Philip enjoyed meeting all our children and staff.

Honey Bees and Discovery- Its been multifaith week we have had a wonderful time finding out about Hinduism and the celebration of Holi.

Atlantis- Atlantis loved their trip to the Gujarat Hindu Society Temple Preston to learn all about Hinduism during Multi-faith week.

Enterprise- We have loved multifaith week because we like learning about different world faiths. We have found learning about Muslim people interesting. Our fact hunt outside, about the Five Pillars of Islam, was so much fun. We used these facts to make fact files for a display in the corridor. We like to show everyone what we have been learning.

Endeavour- We have been out and about on the streets of Hoole to achieve our Bikeability Level 2! We learnt all about safely turning right and left and into and out of major junctions. We also learnt to perform safe U turns.

This week we have been learning all about Islam but under the umbrella of Ramadan. We studied

a different area of Islam each day and prepared some work ready to share with our friends at Deepdale Primary.

Honey Bees and Discovery- We have been looking for signs of Spring and placing our bulbs that we have grown near our new outdoor area

Atlantis- This week we have been outside celebrating Holi and having our own Holi party with paint!

Enterprise- Fact hunting for our Five Pillars of Islam.

Endeavour- We have been out in the playground on a Muhammad trail, learning about the life of the prophet (pbuh).

Mindful March:

	SATURDAY	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
1	Set an intention to live with awareness and kindness	Notice three things you find beautiful in the outside world	Start today by appreciating your body and that you're alive	Notice how you speak to yourself and choose to use kind words	Bring to mind people you care about and send love to them	If you find yourself rushing, make an effort to slow down	Take three calm breaths at regular intervals during your day
8	Eat mindfully. Appreciate the taste, texture and smell of your food	Take a full breath in and out before you reply to others	Get outside and notice how the weather feels on your face	Stay fully present while drinking your cup of tea or coffee	Listen deeply to someone and really hear what they are saying	Pause to watch the sky or clouds for a few minutes today	Find ways to enjoy any chore or task that you do
15	Stop. Breathe. Notice. Repeat regularly	Get really absorbed with an interesting or creative activity	Look around and spot three things you find unusual or pleasant	Have a 'no plans' day and notice how that feels	Cultivate a feeling of loving-kindness towards others today	Focus on what makes you and others happy today	Listen to a piece of music without doing anything else
22	Notice something that is going well, even if today feels difficult	Tune into your feelings, without judging or trying to change them	Appreciate your hands and all the things they enable you to do	Focus your attention on the good things you take for granted	Choose to spend less time looking at screens today	Appreciate nature around you, wherever you are	Notice when you're tired and take a break as soon as possible
29	Choose a different route today and see what you notice	Mentally scan your body and notice what it is feeling	Discover the joy in the simple things of life				

ACTION FOR HAPPINESS Happier · Kinder · Together

Honey Bees and Discovery- Listen deeply to someone and really listen to what they are saying.

Atlantis- Atlantis class are focussing on what makes us happy!

Enterprise- Notice things we find beautiful in the outside world.

Endeavour- We have been aiming to be more self-reflective during Lent. This week, we have considered the things we might need to say sorry

for, wrote them down, binned them and then moved on.
