

Hoole St Michael CE Primary School Summer 2 Overview Class: Enterprise

Bold *Christian Values* **Resilience** **Strong Relationships** **Active Learners** **partnership**

Courageous **Confidence** Thirst for knowledge **Growth Mindset** SUMO Forçst School Enrichment

English: Courageous and Bold writers

This half term we will be **exploring** a non-fiction text on the Rainforest. Children will build on their prior knowledge of this biome and look at the features of this text type. Children will continue to apply their grammar sessions to independent writing and develop the skills of editing in order to improve. Guided reading sessions will have a focus on inference.

Geography: Resourceful Our theme in geography this half term is 'Where does our food come from?' Throughout this unit, children will identify which biomes grow which foods, and explain why. Pupils will look at the distance travelled by some foods and think about how to **reduce our carbon footprint** by sourcing foods locally. Pupils will then design and carry out a **data collection to answer an enquiry question**.

Christian Value for this half term
Hope and Truthfulness

RE for this half term
Called by God.

PSHE for this half term
Growing and Changing

IT: Meaningful progression of skills

Programming B- Repetition in games.

Art : Growth Mindset- Festival Feasts.

Pupils will respond to a creative stimulus and work towards drawing, painting, collage, and sculpture. Children will use their knowledge and curiosity of line, shape, colour and form to make playful and inventive art, linked to food.

British Value
Proud to be British

Maths: Resilience and Confidence

This half term we will apply the previous skills we have learnt in our decimals and place value units to **work flexibly with money**. We will also complete a **unit on time**, making links to prior learning with **Roman Numerals**. Our fluency sessions, will see us diving back to cover work on the **4 number operations** and applying our knowledge to problems.

Science: Exploration.

Throughout this summer term, we will be working scientifically within nature, pupils will be gathering, recording, classifying and presenting data in a variety of ways to help answer questions. Children will report on findings and use this to make simple conclusions.

P.E: Active learners, Partnerships
Athletics and Rounders.

Music: This half term, pupils will be working hard on their **performance of Joseph**. We will be rehearsing and singing,

French: Thirst for knowledge, Language Confidence. On Mange
